ACHIEVEMENTS

• Microsoft Ignite: Protect Everything Challenge:

I was able to complete the challenge before the deadline and as a result, I got the **opportunity to take a Microsoft exam free**

- I gave and Successfully passed the **SC 200 Microsoft exam** on the first attempt, demonstrating a strong understanding of relevant concepts and skills

• **GoogleCloud skills:**Received an opportunity from Google, a top tech company, to participate in the **Professional Cloud Security Engineer** Journey at no cost .

- Achieved a grade of **10 out of 10** in the Data Structures and Algorithms (DSA) lab .

POSITION OF RESPONSIBILITY

• **Team leader:** I had the responsibility of leading a group discussion on Artificial Intelligence

• **Event planner:** Hosted a workshop on cybercrime for junior students at our college to raise awareness and promote online safety.

• **Campus Ambassador Post:** Proud to be a campus ambassador for Ecell[IIT Bombay]completing the submission , spreading the word and making a difference on campus.
